

The P.A.S. Homecraft Division is part of the Paris Agricultural Society. We are a non-profit organization that raises the majority of its revenue from catering outside of its responsibilities at fair time. The majority of our year-round fundraising profits are donated to the Main Board for its operating expenses and to continue the on-going tradition of our yearly Labour Day Weekend Fair.

We Thank You For Your Support

NOTE:

Any Extra Addition to Banquet Menus is \$1.00 per item per plate.
